

JOIN WELLNESS AUSTRALIA GROUP'S

Green Tees

Garden and Landscaping Program

Join our fun-filled gardening and landscaping workshop on the stunning and historic Gunabul Golf Course!

Participants will have the opportunity to create beautiful and long-lasting garden beds at each golf tee featuring a mix of edible herbs, veggies, colorful flowers, and native plants.

You'll learn everything from prepping the soil to building the garden beds, enhancing the course's beauty while boosting your gardening skills!

Experience & Learning Outcomes:

- Hands-on interactive learning.
- Identify ideal seasons/times for planting.
- Learn which plants attract birds, bees.
- Learn the benefits of native plants.
- Learn to build your own veggie garden.
- Meet new people and make friends.
- A fun and supportive environment.
